About Glory Media:

Glory Media is a design and marketing agency specializing in driving targeted traffic and converting prospects into clients, primarily serving D2C businesses in India.

Position Overview:

As a Design Intern at Glory Media, you'll be assisting in the development of design concepts, supporting project execution, leading sessions on design thinking and UX, participating in skill-building workshops, and offering administrative support as needed.

Key Responsibilities:

1. **Assist in UX Research:** Conduct user and market research to identify trends, competitor strategies, and potential targets for our clients.
2. **Content Creation:** Support the creation of engaging content for various marketing channels.
3. **Campaign Implementation:** Work alongside our business development team to implement campaigns and initiatives.
4. **Learning and Development:** Take part in training sessions and workshops to learn about various design and marketing tools and techniques.

Eligibility:

1. **Work Setup:** Access to a laptop and a stable internet connection.
2. **Attitude:** Detail-oriented, motivated, strong work ethic, time management, and effective English communication skills.

Benefits:

1. **Training:** Hands-on experience and training in UI/UX and design thinking.
2. **Flexibility:** Remote work with a flexible schedule.
3. **Networking:** Connect with industry professionals.
4. **Future Prospects:** Exceptional performers will receive a full-time job offer.
5. **Recommendation:** Receive a formal letter of recommendation upon successful completion.

How to apply:

Interested candidates are invited to apply by sending their resume outlining their interest in the internship to nitin@glorymedia.in

Please ensure that the subject line of your email reads "Internship Application - Design."
